Under the provisions of the Paperwork Reduction Act of 1995 (PL 104-13) and the Privacy Act of 1974 (PL 93-579), you are advised that disclosure of the information requested in this Vessel Monitoring System (VMS) installation and activation report is mandatory for the purpose of managing the Pacific Coast Groundfish fishery. The checklist information is used to ensure proper operation of the VMS unit. Reporting burden for the collection of information is estimated to average 4 hours per installation, including time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the information. The burden for submission of this checklist is estimated at 6 minutes per response. Confidentiality of the information provided will be treated in accordance with NOAA Administrative Order 216-100. It is the policy of the National Marine Fisheries Service not to release confidential data to the public or unauthorized users, other than in aggregate form, as the Magnuson Act protects (in perpetuity) the confidentiality of those submitting data. Whenever data are requested, the NMFS ensures that information identifying the business activity of a particular individual is not identified. Because you have been provided with a currently valid OMB control number for a collection of information subject to the requirements of the Paperwork Reduction Act, you are required to respond to, or be subject to penalty for failing to comply with, this collection of information. Send comments regarding this burden estimate or suggestions for reducing this burden to: NMFS, Office of Law Enforcement, Northwest Division 7600 Sandpoint Way NE, Seattle, WA 98115-6349
